

**Critical Decision 1 Review  
MicroBooNE  
Fermilab, March 2-3, 2010**

*Draft Agenda – version II*

March 2

8:00 – 8:30 am            Executive Session  
    Dan Lehman – Charge and Procedures  
    Paul Philp – Project Overview

8:30 10:00 am            Plenary Session  
    8:30 – 8:50 am – Bonnie Fleming: Physics Overview  
        How do Physics and R&D goals MicroBooNE satisfy CD-0  
    8:50 – 9:10 am – Randy Johnson: Detector Overview  
        How does experiment satisfy physics and R&D goals  
    9:10 – 10:00 am - Cat James: Project Overview  
        Project talk will highlight, cost, schedule and critical design issues between CD-1 and 2

10:00-10:15 am            Break

10:15-12:00 am            Plenary Session  
    10:15 – 10:35 am – Jim Kilmer: WBS 1.2 Cryogenics  
    10:35 – 10:55 am – Craig Thorn: WBS 1.3 Cryostat  
    10:55 – 11:15 am – Bonnie Fleming: WBS 1.4 TPC  
    11:15 – 11:35 am – Leslie Camilleri: WBS 1.5 Readout and DAQ  
    11:35 – 11:55 am – Dixon Bogart: WBS 1.6 Experimental Infrastructure  
    11:55 – 12:15 am – John Vorin: WBS 1.7 System Installation  
    12:15 – 12:35 noon – Vassili Papavassiliou WBS 1.8 PMT System  
        Talks are of same format as last July’s OPMO meeting talks: Cost, schedule, etc. Cat will distribute template.

12:35 noon – 1:45 pm    Lunch and Executive Session

1:45 – 5:00 pm            Breakout Sessions  
    Session 1: WBS 1.2 and 1.3, Cryogenics and Cryostat  
    Session 2: WBS 1.4, 1.5, and 1.8: TPC, Readout and DAQ, PMTs  
    Session 3: WBS 1.6 and 1.7, Infrastructure and Installation  
    Session 4: WBS 1.1 Project Management, Cost and Schedule  
        Will ask Ted what he wants prepared for this. I would have updated Director’s review talk available. Details of cost, schedule, risk assessment, etc. Answers to Director’s review questions for “Project”. Answer how technical recommendations will be addressed.

5:00 – 6:00 pm            Executive Session

7:00 pm                    Dinner

March 3

8:00 – 10:00 am            Breakout Sessions

Same sessions as on Tuesday

Basically answer questions that came up Tuesday or were assigned as homework.

10:00 am – 2:30 pm    Executive Session

2:30 pm                Close out
